

**PUBLIC SAFETY COMMUNICATIONS
NETWORK**

2002 GENERAL SESSION

STATE OF UTAH

Sponsor: David Ure

This act modifies the Public Safety Code to repeal the Utah Communications Agency Network and move its functions into a division of the Department of Public Safety. This act creates the Public Safety Communications Network Division to be the lead agency to develop, implement, administer, and maintain the Utah Public Safety Communications Network to coordinate communications between public safety agencies. This act creates the Utah Public Safety Communications Network Committee to advise the division. This act requires cost sharing between agencies involved in the network. This act takes effect on July 1, 2002.

This act affects sections of Utah Code Annotated 1953 as follows:

46 *Be it enacted by the Legislature of the state of Utah:*

47 Section 1. Section **53-14-101** is enacted to read:

48 **CHAPTER 14. UTAH PUBLIC SAFETY COMMUNICATIONS NETWORK ACT**

49 **Part 1. General Provisions**

50 **53-14-101. Title.**

51 This chapter is known as the "Utah Public Safety Communications Network Act."

52 Section 2. Section **53-14-102** is enacted to read:

53 **53-14-102. Definitions.**

54 As used in this chapter:

55 (1) "Committee" means the Utah Public Safety Communications Network Committee
56 created in Section 53-14-301.

57 (2) "Division" means the Public Safety Communications Division created in Section
58 53-14-201.

(3) "Network" means the Utah Public Safety Communications Network established under Section 53-14-201.

Section 3. Section **53-14-103** is enacted to read:

53-14-103. Establishment of the Public Safety Communications Division -- Duties.

(1) There is created within the department the "Public Safety Communications Division," which was formerly the Utah Communications Agency Network.

(2) The division shall:

(a) be the lead agency to develop, implement, administer, and maintain the network to provide public safety communications services and facilities on a regional or statewide basis for the benefit and use of municipal, county, state, and federal government agencies;

(b) assume the operations, contracts, and obligations of the network on July 1, 2002;

(c) coordinate with public agencies to link public safety and emergency services agencies together through a single communications system network to be known as the Utah Public Safety Communications Network;

(d) in accordance with Title 11, Chapter 13, Interlocal Cooperation Act, enter into agreements or contracts with government agencies to:

(i) implement this chapter; and

(ii) share the costs of implementing and administering the network as provided in Section 53-14-401; and

(e) in accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act, make rules, with committee approval, as necessary to implement this chapter.

Section 4. Section **53-14-201** is enacted to read:

Part 2. Committee

53-14-201. Utah Public Safety Communications Network Committee -- Appointment --Duties -- Per diem -- Technical committees.

(1) There is created within the Department of Public Safety the Utah Public Safety Communications Network Committee comprising up to 11 members knowledgeable about public safety communications and the networking of communications systems as follows:

(a) three members designated by the commissioner of public safety;

(b) two members designated by the Utah Sheriff's Association;

(c) one member designated by the Department of Administrative Services;

90 (d) two members designated by the Utah Police Chief's Association;

91 (e) up to three additional members designated by the committee for one-year terms; and

92 (f) a designating entity under Subsections (1)(a) through (1)(d) may designate an
93 alternative member to serve in the absence of its designated member.

94 (2) The committee shall:

95 (a) advise the division on matters related to the implementation and administration of this
96 chapter;

97 (b) make recommendations to public safety agencies related to coordinating
98 communications;

99 (c) make recommendations to the department, counties, and municipalities on increasing
100 the efficiency and effectiveness of the network, including development, implementation,
101 administration, maintenance, and coordination;

102 (d) evaluate the cost effectiveness of implementing network improvements;

103 (e) develop broad policies for the long-term development, construction, and operation of
104 the network;

105 (f) review and approve contracts and other instruments prior to the division executing them
106 on behalf of the network; and

107 (g) review and approve rules proposed by the division.

108 (3) The committee shall annually elect a chair and a vice chair from its members.

109 (4) Each member of the committee shall serve until the appointing authority removes the
110 member, which may be for any reason. When a vacancy occurs in the membership appointed
111 under Subsections (1)(a) through (d) for any reason, a replacement shall be appointed.

112 (5) The committee shall meet as it determines necessary to accomplish its duties.

113 (6) Reasonable notice shall be given to each member of the committee prior to any
114 meeting.

115 (7) A majority of the committee constitutes a quorum for the transaction of business.

116 (8) (a) (i) Members who are not government employees may not receive compensation or
117 benefits for their services, but may receive per diem and expenses incurred in the performance of
118 the member's official duties at the rates established by the Division of Finance under Sections
119 63A-3-106 and 63A-3-107.

120 (ii) Members may decline to receive per diem and expenses for their service.

(b) (i) State government officer and employee members who do not receive salary, per diem, or expenses from their agency for their service may receive per diem and expenses incurred in the performance of their official duties from the committee at the rates established by the Division of Finance under Sections 63A-3-106 and 63A-3-107.

(ii) State government officer and employee members may decline to receive per diem and expenses for their service.

(c) (i) Local government members who do not receive salary, per diem, or expenses from the entity that they represent for their service may receive per diem and expenses incurred in the performance of their official duties at the rates established by the Division of Finance under Sections 63A-3-106 and 63A-3-107.

(ii) Local government members may decline to receive per diem and expenses for their service.

(9) The committee may establish technical advisory committees as needed to assist in accomplishing its duties under this section.

Section 5. Section **53-14-301** is enacted to read:

Part 3. Cost Sharing

53-14-301. Cost sharing -- Additional agencies.

(1) (a) The cost of implementing and administering the network shall be shared pro rata by the division and the counties and municipalities using it.

(b) The division shall enter into an agreement or contract under Title 11, Chapter 13, Interlocal Cooperation Act, with a county or municipality to share costs incurred under this section.

(2) Additional county and municipal public safety agencies may be added to the network upon application of a county or municipality after:

(a) a recommendation of the committee;

(b) approval by the division;

(c) determination of the appropriate cost share of the addition under Subsection (1)(a); and

(d) an agreement under Subsection (1)(b).

Section 6. Section **63-38-2** is amended to read:

63-38-2. Governor to submit budget to Legislature -- Contents -- Preparation -- Appropriations based on current tax laws and not to exceed estimated revenues.

(1) (a) The governor shall, within three days after the convening of the Legislature in the

annual general session, submit a budget for the ensuing fiscal year by delivering it to the presiding officer of each house of the Legislature together with a schedule for all of the proposed appropriations of the budget, clearly itemized and classified.

(b) The budget message shall include a projection of estimated revenues and expenditures for the next fiscal year.

(2) At least 34 days before the submission of any budget, the governor shall deliver a confidential draft copy of his proposed budget recommendations to the Office of the Legislative Fiscal Analyst.

(3) (a) The budget shall contain a complete plan of proposed expenditures and estimated revenues for the next fiscal year based upon the current fiscal year state tax laws and rates.

(b) The budget may be accompanied by a separate document showing proposed expenditures and estimated revenues based on changes in state tax laws or rates.

(4) The budget shall be accompanied by a statement showing:

(a) the revenues and expenditures for the last fiscal year;

(b) the current assets, liabilities, and reserves, surplus or deficit, and the debts and funds of the state;

(c) an estimate of the state's financial condition as of the beginning and the end of the period covered by the budget;

(d) a complete analysis of lease with an option to purchase arrangements entered into by state agencies;

(e) the recommendations for each state agency for new full-time employees for the next fiscal year; which recommendation should be provided also to the State Building Board under Subsection 63A-5-103(2);

(f) any explanation the governor may desire to make as to the important features of the budget and any suggestion as to methods for the reduction of expenditures or increase of the state's revenue; and

(g) the information detailing certain regulatory fee increases required by Section 63-38-3.2.

(5) The budget shall include an itemized estimate of the appropriations for:

(a) the Legislative Department as certified to the governor by the president of the Senate and the speaker of the House;

(b) the Executive Department;

- 183 (c) the Judicial Department as certified to the governor by the state court administrator;
- 184 (d) payment and discharge of the principal and interest of the indebtedness of the state [~~of~~
185 ~~Utah~~];
- 186 (e) the salaries payable by the state under the Utah Constitution or under law for the lease
187 agreements planned for the next fiscal year;
- 188 (f) other purposes that are set forth in the Utah Constitution or under law; and
- 189 (g) all other appropriations.
- 190 (6) Deficits or anticipated deficits shall be included in the budget.
- 191 (7) (a) (i) For the purpose of preparing and reporting the budget, the governor shall require
192 from the proper state officials, including public and higher education officials, all heads of
193 executive and administrative departments and state institutions, bureaus, boards, commissions, and
194 agencies expending or supervising the expenditure of the state moneys, and all institutions
195 applying for state moneys and appropriations, itemized estimates of revenues and expenditures.
196 The entities required by this Subsection (7)(a)(i) to submit itemized estimates of revenues and
197 expenditures to the governor, shall also report to the Utah Information Technology Commission
198 created in Title 63D, Chapter 1, Information Technology Act, before October 30 of each year. The
199 report to the Information Technology Commission shall include the proposed information
200 technology expenditures and objectives, the proposed appropriation requests and other sources of
201 revenue necessary to fund the proposed expenditures and an analysis of:
- 202 (A) the entity's need for appropriations for information technology;
- 203 (B) how the entity's development of information technology coordinates with other state
204 or local government entities;
- 205 (C) any performance measures used by the entity for implementing information technology
206 goals; and
- 207 (D) any efforts to develop public/private partnerships to accomplish information
208 technology goals.
- 209 (ii) (A) The governor may also require other information under these guidelines and at
210 times as the governor may direct.
- 211 (B) These guidelines may include a requirement for program productivity and performance
212 measures, where appropriate, with emphasis on outcome indicators.
- 213 (b) The estimate for the Legislative Department as certified by the presiding officers of

both houses shall be included in the budget without revision by the governor. Before preparing the estimates for the Legislative Department, the Legislature shall report to the Information Technology Commission the proposed information technology expenditures and objectives, the proposed appropriation requests and other sources of revenue necessary to fund the proposed expenditures, including an analysis of:

(i) the Legislature's implementation of information technology goals;

(ii) any coordination of information technology with other departments of state and local government;

(iii) any efforts to develop public/private partnerships to accomplish information technology goals; and

(iv) any performance measures used by the entity for implementing information technology goals.

(c) The estimate for the Judicial Department, as certified by the state court administrator, shall also be included in the budget without revision, but the governor may make separate recommendations on it. Before preparing the estimates for the Judicial Department, the state court administrator shall report to the Information Technology Commission the proposed information technology expenditures and objectives, the proposed appropriation requests and other sources of revenue necessary to fund the proposed expenditures, including an analysis of:

(i) the Judicial Department's information technology goals;

(ii) coordination of information technology statewide between all courts;

(iii) any efforts to develop public/private partnerships to accomplish information technology goals; and

(iv) any performance measures used by the entity for implementing information technology goals.

(d) Before preparing the estimates for the State Office of Education, the state superintendent shall report to the Information Technology Commission the proposed information technology expenditures and objectives, the proposed appropriation requests and other sources of revenue necessary to fund the proposed expenditures, including an analysis of:

(i) the Office of Education's information technology goals;

(ii) coordination of information technology statewide between all public schools;

(iii) any efforts to develop public/private partnerships to accomplish information

technology goals; and

(iv) any performance measures used by the Office of Education for implementing information technology goals.

(e) Before preparing the estimates for the state system of Higher Education, the commissioner shall report to the Information Technology Commission the proposed information technology expenditures and objectives, the proposed appropriation requests and other sources of revenue necessary to fund the proposed expenditures, including an analysis of:

(i) Higher Education's information technology goals;

(ii) coordination of information technology statewide within the state system of higher education;

(iii) any efforts to develop public/private partnerships to accomplish information technology goals; and

(iv) any performance measures used by the state system of higher education for implementing information technology goals.

(f) The governor may require the attendance at budget meetings of representatives of public and higher education, state departments and institutions, and other institutions or individuals applying for state appropriations.

(g) The governor may revise all estimates, except those relating to the Legislative Department, the Judicial Department, and those providing for the payment of principal and interest to the state debt and for the salaries and expenditures specified by the Utah Constitution or under the laws of the state.

(8) The total appropriations requested for expenditures authorized by the budget may not exceed the estimated revenues from taxes, fees, and all other sources for the next ensuing fiscal year.

(9) If any item of the budget as enacted is held invalid upon any ground, the invalidity does not affect the budget itself or any other item in it.

(10) (a) In submitting the budgets for the Departments of Health and Human Services and the Office of the Attorney General, the governor shall consider a separate recommendation in his budget for funds to be contracted to:

(i) local mental health authorities under Section 17A-3-606;

(ii) local substance abuse authorities under Section 62A-8-110.5;

(iii) area agencies under Section 62A-3-104.2;

(v) local health departments under Title 26A, Chapter 1, Local Health Departments; and

(vi) counties for the operation of Children's Justice Centers under Section 67-5b-102.

(b) In his budget recommendations under Subsections (10)(a)(i), (ii), and (iii), the governor shall consider an amount sufficient to grant local health departments, local mental health authorities, local substance abuse authorities, and area agencies the same percentage increase for wages and benefits that he includes in his budget for persons employed by the state.

(c) If the governor does not include in his budget an amount sufficient to grant the increase described in Subsection (10)(b), he shall include a message to the Legislature regarding his reason for not including that amount.

(11) (a) In submitting the budget for the Division of Services for People with Disabilities, the Division of Child and Family Services, and the Division of Youth Corrections within the Department of Human Services, the governor shall consider an amount sufficient to grant employees of corporations that provide direct services under contract with those divisions, the same percentage increase for cost-of-living that he includes in his budget for persons employed by the state.

(b) If the governor does not include in his budget an amount sufficient to grant the increase described in Subsection (11)(a), he shall include a message to the Legislature regarding his reason for not including that amount.

(12) (a) The Families, Agencies, and Communities Together Council may propose to the governor under Subsection 63-75-4(4)(e) a budget recommendation for collaborative service delivery systems operated under Section 63-75-6.5.

(b) The Legislature may, through a specific program schedule, designate funds appropriated for collaborative service delivery systems operated under Section 63-75-6.5.

~~[(13) The governor shall include in his budget the state's portion of the budget for the Utah Communications Agency Network established in Title 63C, Chapter 7, Utah Communications Agency Network Act.]~~
